STOP MEMORISING ESSAYS. START MASTERING THEM!

One prepared theme can help you answer several different essay questions.

Are you worried about the English Essay paper? Do you struggle to generate ideas, organise your thoughts or write when the examiner presents an unfamiliar topic?

The solution is not to memorise hundreds of essays. It is to understand important themes and learn how to adapt your preparation.

COURTPREP ODISHA – English Volume I follows this practical approach.

This book brings together:

- Previous-year essay questions from 2016–2025.
- 20 carefully selected Master Essays.
- Frequently repeated essay topics.
- A comprehensive Essay Topic Idea Bank.
- Techniques to handle unfamiliar essay questions.

Prepare intelligently. Understand the themes. Learn to write according to the question.

Your aim is not to memorise more essays, but to become capable of writing better essays.

HOW TO USE THIS BOOK

Follow this simple preparation sequence:

1. STUDY PREVIOUS-YEAR QUESTIONS

Explore essay questions from 2016–2025 to understand the examination trend.

2. IDENTIFY IMPORTANT THEMES

Study the repeatedly asked topics and recognise their common themes.

3. PREPARE THE 20 MASTER ESSAYS

Understand the introduction, main points, examples, relevant legal aspects, solutions and conclusion.

4. LEARN TO ADAPT

Practise using one prepared theme to answer different questions on the same subject.

5. EXPLORE THE IDEA BANK

Use the 14-part Essay Topic Idea Bank to develop ideas and prepare for a wider range of topics.

6. HANDLE NEW QUESTIONS

Learn how to organise your thoughts and write logically even when the topic is unfamiliar.

YOUR PREPARATION FORMULA

PYQs → IMPORTANT THEMES → MASTER ESSAYS → ADAPTATION → PRACTICE

Do not simply memorise model essays. Understand the subject, organise your ideas and practise writing.

COURTPREP ODISHA

Prepare intelligently. Write confidently.

ESSAY TOPICS ASKED MULTIPLE TIMES

The previous-year questions reveal a clear pattern in Odisha District Court examinations. Certain subjects have been repeated either **in the same or nearly the same wording** or **with a different wording but substantially the same core theme**.

Therefore, an aspirant should not prepare every essay as an isolated topic. Instead, recurring topics should be prepared as **Master Essays** capable of being adapted to different question wordings.

The following topics have appeared multiple times in the available previous-year papers.
